

**Scotland's Oil and Gas fields should make Scots  
£32 million pounds a day, which could;**

**Re build two high schools per day  
Build 256 two bedroom homes a day  
Erect 16 green wind turbines per day  
End poverty of 522,000 Scots kids with £61 a day each**

**or give all Scottish Residents each £2300 a  
year in additional services, investments, loans and  
development grants for Scotland's Future Prosperity**

**In 1974 52% of Scottish voters said YES to a Scottish Government.** The Labour Party undemocratically said NO and NO to 43 out of 19 Scottish MP's who were outraged.

**In 1999 Labour / Lib Dems stole 6,000 miles of Scottish Sea** by making it English in a secret order that moved Scotland's Marine Boundaries from Berwick-upon-Tweed to Carnoustie. **Now when playing golf at St Andrews you are looking at English Sea.**

**Before YOU VOTE - Read the Gavin McCrone Report on Scotland's Oil Rich Economy that Westminster kept TOP SECRET from the Scottish People for over 30 years**

**[www.oilofscotland.org](http://www.oilofscotland.org) it will last another 100 years**
